Toy Lawn Mower:

Hey Dolly, you got returned today. What was it like out there? Was there lots of grass?

Dolly:

It's like a big toy store out there that just goes on and on. *(To Toy Lawn Mower)* With lots of grass.

Toy Lawn Mower:

(so happy) Eeeeeeeee! I knew it, I knew there would be endless amounts of green grass. *(Sings)* And the green grass grew all around, all around, and the green grass grew all around”.

Dolly:

There were all kinds of crazy rides and people. Then we entered into a small toy store inside this kid's room.

Jack in the Box

(Pop out to ask..) Did
you know
anybody there?

Dolly:

Yes. There was another doll and it looked exactly like me, but she was all in pieces.

Puzzle:

What's wrong with
being in pieces?

Ambulance (Marsche):

I could have have taken
her to the
hospital. How did you
escape?

Dolly:

I overheard the Queen say,
if you break this
one- it's going right back.
So I removed my arm
when the kid wasn't
looking.

Mr. Potato:

Oh big deal. You should
have removed
your eyes- that's
scarier.

Gumby:

Ahhhhh!

Dolly:

The Queen was furious,
picked me up, and
brought me back while
the kids cried the whole
time in the car.

Baby Doll (Robbie):

I cry all day too.
Whaaaaa..

Jack in the Box:

(Pop out to ask..) We
are glad you
are back Dolly!

Dolly:

I hope I can stay with
all of you here, my toy
friends.

Song:

The world out there is crazy

(two arms out to the side and then touch your head)

Too many people *(rock back and forth)*

Too much noise

Song:

I'd rather be here *(both hands

down)*

With all of you

My buddies, my toy friends.

*(hands clasp together
in the middle and then open)*

Song:

The world out there is scary

(move into the camera)

You never know *(shake your*

head)

What could happen....to

you.

Song:

I'd rather be here *(both hands
come to center and point
down)*

With all of you

My buddies, my amigos, *(hands
clasp in the middle)*

my toy friends. *(open hands)*

Song:

You might think out there
is better *(one arm points
out behind you)*

But I found it's safer here.
*(arm comes back to
center and points down)*

Song:

The grass isn't always
greener *(the other points out
behind you)*

Or real... *(arm comes back to
center and points
down)*

Song:

I'd rather be here *(both hands
come to center and point
down)*

With all of you

My buddies, my amigos, *(hands
clasp in the middle)*

my toy friends. *(open hands)*
