

The Wedding Dress

By Shannon Enloe

Blouse:

Hey guys did you miss
me?

Bathrobe:

You're back from the laundromat. I love going - it's like going to the spa for a day!

Sundress:

You smell wonderful! So
clean and fresh!

Skirt:

I love that she is using
downy fresh.

Socks: (Robbie)

I smell so great now!

Skirt:

Oh no! Crystal is
coming! ZIP IT!

Belt: (Ryan)

Be quiet everyone!

Crystal:

Don't look Victor, I'm
putting the dress in the
closet.

Victor

It's so small in there,
and so messy. How am I
going to fit all my
clothes in there once I
move in?

Blouse:

What are you doing
here?

Wedding Dress: (Marsche)

What do you mean?

Khaki Pants:

Obviously she is getting
married...

Khaki Pants:

Obviously she is getting
married...

Everyone:

GASP!

Vest:

Oh no some of us will be replaced! And we'll have to make room for Victor's wardrobe...there is NOT room for all of us in here!

Shoes:

I heard from his
business suit the other
day that Victor is super
neat and tidy.

Khaki Pants:

Maybe he can help
Crystal stay organized-
look at me- she just
threw me in here to get
wrinkled.

Wedding Dress: (Marsche)

Just be happy she
found love.

Shoes:

Yes, she has even sad
and lonely for so long.

Sundress:

Victor is the change she needed in her life. Now

Crystal will have help keeping everyone clean and organized, what a perfect marriage it will be.

Song:

We spent years listening to
her tears

Of emptiness (of emptiness)

All around is a gloomy cloud
Of loneliness (of loneliness)

Song:

Now she's found the
right guy

To lift her spirits high...

Song:

How wonderful it will be
A closet clean and tidy
A place for all her
things
Next to his

Song:

How magical it will be
Together in harmony
When they finally say
“I do”

Song:

A place for everything
And everything in it's
place
Nice and neat
So complete

Song:

A place for everything
And everything in it's
place
Picture perfect in a
house for two

Song:

A place for everything
And everything in it's
place
Nice and neat
So complete

Song:

A place for everything
And everything in it's place
Picture perfect in a house
for two
Picture perfect in a house
for two
