All of the magic in the fairy world has mysteriously stopped working and the one behind it all has a big announcement

Fairies, I have called you here today to talk about the sudden change in our magic powers.

Fairy Godmother:

I was trying to magic a new dress for a young girl going to the prom, but the dress just turned back into ... a rabbit.

Tinkerbell:

(Acts out a crazy scene)

Meryweather:

**I think what Tinkerbell is
trying to say is that her
pixie dust turned into
glitter**

Flora:

No, Meryweather, I think
Tinkerbell said it turned
into pancake mix...

Fauna:

**No, Flora, Tinkerbell said
it turned into brownie
mix.**

Tooth Fairy:

**Ooh! That's bad for your
teeth. Make sure you
brush them!**

Tinkerbell:

*(Shakes her head no and
looks to Peter Pan for
help)*

Peter Pan:

**Sorry Tink, it's more fun
to watch everyone guess
what you're acting out.**

The Blue Fairy:

I tried to turn a stuffed animal into a real dog, but it didn't even move.

Fairy Queen:

**It must be a powerful
fairy making this happen.**

Oberon:

**As King of the Fairies, I
tell you all, 'Tis not me!**

Puck:

I did not do this

**Ha, ha, but I know who
did.**

Sugar Plum Fairy:

**Oh it figures that it is
some fairy you know**

Maleficent

Hello, dearies. You should have figured out ages ago that only my powers could make this happen

Meryweather:

**Maleficent
Why?**

Maleficent:

**Well it was the quickest
and easiest way to get you
all in one place. I have a
big announcement**

Flora:

Oh this should be good.

Fauna:

**She always has to be in
the spotlight...**

Maleficent :

I am getting married!

Everyone

Whaaaaaat?

Diaval the crow:

She is, she is!

The Blue Fairy:

**I didn't even know she
had a real heart..**

Puck:

**She does and we are
getting married! Ha Ha!**

Sugar Plum Fairy:

**Is this another one of
your jokes, Puck?**

Maleficent:

**No. Aurora introduced us
and we really hit it off. He
makes me laugh and
smile.**

Oberon:

Well, congratulations!
When is the big day?

Puck:

April fools day of course!

Tooth Fairy:

**I'll make sugar free cake
for the wedding!**

Fairy godmother :

**I could turn your black
robes into a beautiful
white wedding dress**

Maleficent:

(Groans)

Fairy Godmother:

How about a deep plum?

Diaval the crow:

Much better!

Meryweather :

**Well now that we know
the news, will you give
us back our powers?**

Maleficent:

I guess...

Puck:

She's so spunky! Hey — I know, let's learn one of those party dances for the wedding. Like the chicken dance or the electric slide!

Fairy Godmother :

**I would do the Hokey
pokey to get our magic
back**

Maleficent:

**Well, let me suggest the
Dragon Vogue**
