Plot:

A group of magical creatures get trapped in the human world on Halloween night and have until midnight to get back. They find out that humans can be very scary.

Ghost:

We must have passed
through a magical
portal into this SCARY
world. 00000000.

Wizard:

Whoops- It's my fault.
I was trying to get us
into Candy Land.

Zombie:

How do we get back?

I am so hungry.

I need to eat brains.

Wizard:

Well, traditionally with this kind of spell, you have until Midnight, otherwise we might be stuck here.

Frankenstein:

That's horrifying.
All these houses and
yards look the same.

Bride of Frankenstein:

The sign says
Rochester, NY.

(Marsche) Mummy:

It seems that these creatures are a mix of our kind.

But they are all really short and young.

Human boy:

(removes mask)-

It's too hot to wear this
while trick or treating.

Vampire:

(Screams)

Did you see that?
That young vampire
removed its face.

Zombie:

This place is scary!

Human girl:

It's hard to unwrap the
candy with these gloves
on.

*(She takes her green
gloves off- unwraps candy
and eats it).*

Witch:

Look she just shed her
skin like a snake.

Her skin is all pink
underneath- what a
weird color!

Mother Goblin:

Don't be afraid.
We can talk to her and
find out more.

Scarecrow:

Excuse me.

What are you eating?

Human girl:

It's candy.

Werewolf:

What is that?
It smells terrible.

Human girl:

It's a Snickers Bar.

Mother Goblin:

Maybe that is why her
skin is pink.

Bride of Frankenstein:

She has so many teeth.

Human boy:

I have fangs.

Want to see them?

(He takes them out)

The Vampire:

(Screams)

He removed his teeth.

And he has more teeth

underneath

with wires all over them.

Gross!

Everyone:

YUCK

Wizard:

Excuse me.

We fell through a portal
into your world.

Do you know where we
could find another portal?

Human girl:

What is a portal?

Witch:

It's a hole that takes
you into another world.

Human boy:

Well there's port-able
bathroom over there...
maybe that is one.

Werewolf:

Oh that portal smells
really bad.
(howls)

Ghost:

Let's go over to that house.

It looks haunted.

Maybe there is a way to
get back into our world
through the attic.

Scarecrow:

I will go over and knock
on the door.

Wizard:

That's it!

There is an old spell called
"knock on the clock".

It requires a dance and we
can turn back time before
we came through the portal.

Frankenstein:

I am a good dancer.
And so is my bride.

Bride of Frankenstein:

That's right.

I love how you step on
my toes.

(Marsche) Mummy:

And I can rap the spell.

Wizard:

Perfect. First, I'll
conjure up the music.

Song:

Tic-toc

Knock-knock

On the clock.

Song:

Hip-hop

Knock-knock

On the clock.

Song:

Before the bells of midnight.

Ring.

We all must dance and

Sing.

To rewind

And turn back time.

Song:

Toc-tic

That's it.

To stop the clock.

Song:

Hop-hip

Time trip

Turn back time.

Song:

Everybody circle

Round

Get me out of this

Town

Just say this spell.

And all is well.

Song:

Mummy: Tic tic toc

Everybody knock

Dance through time.

And rewind.

Song:

Mummy: Take me back.

Click click clack.

Dance through time.

And rewind.

Song:

Tic-toc

Knock-knock

On the clock.

Song:

Hip-hop

Knock-knock

On the clock.

Human boy:

Hey were did all those
big kids go?

Human girl:

I think I ate too much
candy.

I'm imagining things.

Let's go home.

Human boy:

Imagination on
Halloween is really fun.
That song will be stuck
in head all night.
