Plot:

Sharpay dreams of becoming a huge Broadway star, so she secretly auditions for Disney on Broadway.

Scene 1:

Hallway and Ms. Darbus
is asking people about
the upcoming audition.

Ms. Darbus:

Don't forget to audition
for our new musical
"Pirates of the
Caribbean".

Coach Bolton:

Well none of my players are trying out this time.

We have a big game tonight.

That includes Troy.

Ms. Darbus:

He did have the starring role in the last musical, so maybe it is someone else's turn.

Gabriella:

**Good morning
Miss Darbus.**

Ms. Darbus:

Ms. Montez...will you be
auditioning?

Taylor:

Not this time Ms. Darbus, Gabriella has to help the Math-a-letes take on Brighton High School.

Ms. Darbus:

That's okay. There is always Ms. Sharpay and Mr. Ryan, the ever true stars of the stage...

Scene 2:

Sharpay and Ryan talk
about the upcoming
audition.

Sharpay:

I just can't audition for Pirates of the Caribbean this year. I have to concentrate on my secret audition for Disney on Broadway.

Ryan:

You could be the star in more than one show at a time. Just look at Ryan Seacrest, he does Ryan & Kelly in the morning, American Idol in the afternoon, and a radio show at night.

Sharpay:

But I need more beauty
sleep than the average
superstar, and I hate
trying to speak like a
pirate. (arrrr)

Ryan:

But when I get the lead as Jack Sparrow, I'll miss how we used to pick on how awful everybody's acting is. And this year there are fake swords to jab people with.

Sharpay:

Johnny Depp is so overrated. So the 4-1-1 is that both Gabriella and Troy aren't auditioning this year.

Ryan:

You know Ms. Darbus
will end up being
Elizabeth Swan then. I
hope she deletes the
kissing scene.

Sharpay:

Pirates kissing- yuk!

Scene 3:

Sharpay bursts into a rehearsal and begs for help.

Ms. Darbus:

Now do it again with
more, **ARRRRR**, where's
the treasure.

Chad:

ARRRRR, where's the
treasure.

Taylor:

It's at the bottom of the
ocean you, you --
pirate.

Sharpay:

Stop everyone! I'm
having a crisis. I need
the help of my acting
people.

Ms. Darbus:

I told you, you have to audition first, I already gave the lead to Taylor.

Sharpay:

My audition for Disney on Broadway is today, and I can't decide....wait a minute **Taylor** is the lead.

Taylor:

Yes, I decided that if Gabriella could be a math wiz and a performer, that I could do it too.

Sharpay:

And Chad, what are you
doing here?

Chad:

I injured my finger playing the piano- so I have to sit out this season. I am pirate number 2. Ow.

Kelsi:

You know pianos are
very SHARP.

Everyone:

Ha, ha, ha

LAUGH

Sharpay:

Oh Kelsi, I told you- you are not funny. Stick to sad and boring.

Kelsi:

And you guys were
missing her???

Ms. Darbus:

Disney or non-Disney
monologue Ms. Evans?

Sharpay:

Disney.

Chad:

Jazmine, Cinderella, or
Elsa?

Sharpay:

I was thinking of doing
a mash-up of all of their
top songs.

Ms. Darbus:

**Show your versatility as
a princess.**

Sharpay:

What I'm really
struggling with is -
which princess
costume should I
audition in?

Ms. Darbus:

Hmmmm. Elsa. The
icicles say you are
powerful and
unstoppable.

Sharpay:

Thanks Ms. Darbus. I knew you would have the answer. I got to run home now and freeze my hair. Thanks everyone!

Ryan:

Did I hear my sisterrrr?

Chad:

Yes Captain Jack Sparrow, but I made her walk the plank.

Ryan:

She'll probably turn
into the Little Mermaid
and start singing...

Sharpay:

Ah, ah, ah, ah, ah, ah,
ah, ah....

Chad:

See what I mean, she
never misses an
opportunity to perform.

Scene 4:

The Boltons and the Montez family are together having a BBQ.

Mrs. Bolton:

Hey, are the ribs almost done yet? I'm starving!

Coach Bolton:

They will be ready at
half-time!

Mrs. Bolton:

Ha ha. See what I have to deal with living with a basketball coach.

Mrs. Montez:

**Who cares, those ribs
smell delicious!**

Troy:

It's okay, I've been shooting hoops for hours after practice.

We will beat the
Pittsford Vikings.

Coach Bolton:

With your head back in
the game Troy, we are
sure to beat them. Go
Wildcats!

Martha:

Hi everyone! Thanks for
inviting me. I brought a
bag of chips.

Zeke:

And I baked a
chocolate cherry and
lime cheesecake.

Martha:

As you can see, he is
the baker in this duo.

Mrs. Montez:

Wow! That sounds
delicious Zeke. You are
so talented.

Mrs. Bolton:

Ok players, the food is ready. Let's dig in!

Zeke:

Did you hear about
Sharpay?

Troy:

Now what?

Martha:

She burst into rehearsal and now we know why she didn't audition. She is trying out for Disney on Broadway.

Gabriella:

That makes sense. She
is really good.

Scene Note:

Sharpay enters with
the whole cast.

Sharpay:

Hi everyone- sorry to crash your party and bring the whole school with me- but I just got my letter back from Disney on Broadway and I want you all to be here when I open it.

Ryan:

Sorry everyone- I did
bring a bucket of
potato salad.

Gabriella:

Well, go ahead Sharpay,
open it!

Sharpay:

Oh, now I can't. What if they didn't like my costume or worse...my acting.

Chad:

She's so dramatic, is she acting right now— it's hard to tell.

Taylor:

When is she not
acting....

Kelsi:

I'll open it and read it
for you.

Sharpay:

Not on your life Kelsi. This is my moment, okay here we go.

“Disney on Broadway and Valerie VanScore invite you to join our production of Princesses with Big Problems”.

Mrs. Montez:

**Congratulations
Sharpay.**

Mrs. Montez:

**Congratulations
Sharpay.**

Everyone:

Congratulations!

Scene 5:

Sharpay goes to her
opening rehearsal for
Disney on Broadway

Valerie VanScore:

Hello Sharpay!
Welcome to Broadway.

Sharpay:

Thank you Valerie
VanScore, so wonderful
to meet you and get
started.

Valerie VanScore:

I will be back. We just lost our male lead, he broke his leg.

Sharpay:

Well, my brother, in my opinion, is the best last minute replacement you could find. He knows all the songs and dances already. We have been practicing at home.

Valerie VanScore:

Can you call him and
get him here?

Ryan:

**Already here! Ready to
be Prince Ali!**

Valerie VanScore:

How did you know
which part we needed?

Ryan:

Oh. Sharpay texted me.

Valerie VanScore:

I'll go get your
costume.

Ryan:

And also I might have
dropped my sword and
the Prince guy tripped
and fell...so clumsy.

Ryan & Sharpay:

(Laugh together)

Ryan & Sharpay:

(Laugh together)

Scene Note:

The whole cast enters.

Sharpay:

What are you all doing
here?

Troy:

We all wanted to wish
you well!

Gabriella:

And break a leg!

Ryan:

Oh, someone already
did.

Sharpay:

Wow, but I don't think that Valerie VanScore will let you all stay for rehearsal.

Ms. Darbus:

She's a close friend of mine, Ms. Evans, from the golden days of Broadway. She said we could stay all day.

Chad:

And we are all in this
together.

Taylor:

And this is the start of
something new---for
you.
